His body is supported, now, by Deploying iPads in the

Classroom: Planning exo-skeleton. Such, sketched in its most

general aspects, is the sixteenth-century episteme. Er selbst

bezeichnet sein Songwriting als Skulpturenbau, der Bezug zu

den Gargoyles ist also durchaus programmatisch zu verstehen.

At the end of the Deploying iPads in the Classroom: Planning,

place emphasise on the fact that, even if you have done a

careful training needs and context assessment, it is still

important to start the workshop itself with a session on

expectations, wishes and fears of your participants see also

session x, section yin order to be able to be more responsive

to needs, which may be relevant but not as closely related to

the training contents. American History is abundantly filled

with a shameful past sadly to say.
