The recording continues with the beginning of the second set. The Laser Light Clinic which happens the other 2 weeks of the month where the community events do not. In order to readjust a child you must make him understand what happened in his first childhood. He watched the fowls and the ducks, to see their condition; he noticed the flight of wood-pigeons overhead: they were very numerous; he saw the few apples high up, which March had not been able to reach; he remarked that they had borrowed a draw-pump, presumably to empty the big soft-water cistern which was on the north side of the house.
