## **Beginners**

Disagreeing is treasonous. To this end, in his introduction to the work he cites film archivist Barbara Deming, who points out an analogous difficulty inherent in the process of selection that characterizes the work of an archivist: Even if one could figure out ... which were the most popular films, it might turn out that in saving those at the top, one would be saving the same dream over and over again ... and losing other dreams which did not happen to appear in the most popular individual pictures but did appear over and over again in a great number of cheaper, less popular pictures 8.
