One note, in discussing the complicated British class system of the day, refers to a table constructed by one Patrick Colquhoun in his A Treatise on the Wealth, Power and Resources of the British Empire, in Every Quarter of the World 2nd ed.

Fish Diseases: Prevention and Control Strategies

I quite enjoyed this book and would recommend it to readers who like lighter fare. Don Quixote is a negative of the Renaissance world; writing has ceased to be the prose of the world; resemblances and signs have dissolved their former alliance; similitudes have become deceptive and verge upon the visionary or madness; things still remain stubbornly within their ironic identity: they are no longer anything but what they are; words wander.
