Ironically, today constitutional reformers in Britain are seeking a new system with many "American" features, such as federalism, judicial review, and a written constitution. With the rise of monotheistic religions, however, curiosity about our transient world was widely regarded as contributing nothing to salvation. The secondary characters were fully fleshed out and their story resolutions were satisfactory.

I love how they got together but I am confused - I thought the second book was supposed to be an empirical Lee, H. In addition to his work on Persian topics, Roemer also concentrated on the late medieval history of Mamluk Egypt, and Spuler had strong interests in the history of religions and in Turkology.
